ACCOMPLISHMENTS AND AWARDS

- Received training as a chef after 5 months of working as a food runner for Komedia, allowing me to fill in as a chef when needed
- Completed a week of work experience in the Komedia office, reorganising the monthly social media report on excel as well as completing and documenting some research on potential podcasters to have at the Komedia
- Completed a week of work experience at the charity Off The Fence, creating a digital slideshow covering homelessness in Brighton

Enthusiastic software developer with a strong ambition to achieve professional programming expertise

EXPERIENCE

September 2024 - Current

Food Runner *Komedia*, Brighton and Hove

- Serving food to customers at Komedia comedy clubs
- Worked Komedia Christmas parties for 2 consecutive years, working with colleagues to serve around 900 meals on each party
- Worked some shifts as a chef, preparing food in the kitchen during busier periods

EDUCATION

2026

A-Levels Computer Science

BHASVIC College, Brighton

- Worked on various programming projects in languages including C, Java, and Python
- Achieved 70/70 in the NEA Coursework Assessment (Solo Programming Project), for which I developed a web-based game using HTML, CSS, and JavaScript
- Predicted Grade: A*

2026

BTEC Computing

BHASVIC College, Brighton

- Completed two coursework units: Cybersecurity, and App Development
- Completed two written examinations: Principles of Computer Science and Fundamentals of Computer Systems
- Achieved a distinction in all four of the units
- Overall grade: Distinction*

2024

GCSEs Computer Science

Lewes Old Grammar School, Lewes

- Achieved Grade 9 (A*)
- (As well as 4 grade 9s, 3 grade 8s and 2 grade 7s in the other subjects)

HOBBIES AND INTERESTS

- Coding - Web, App and Game Development
- Piano - Grade 5, now self-taught
- Sports - Football and Table Tennis
- Gym - 3-4 times a week

PROJECTS

- NEA A Level Computer Science Coursework - Solo programming project where I used HTML, CSS and JavaScript to create a Cookie Clicker inspired game called Idle Planet. Details are on my website
- BTEC App Development Project "Study Buddy" - Study app developed using React Native that helps users manage their study habits. Details are on my website
- LifeHub - Personal Operating System that brings together, productivity, health, finance and personal development into one intuitive platform. Details are on my website
